### MISSION STATEMENT

SunWest Federal Credit Union's mission is to provide financial solutions that exceed the expectations of our member-owners in an environment focused on strength, satisfaction, and service. This mission is achieved through the integrity and dedication of a loyal staff, management team, and volunteer Board of Directors, using the 'people helping people' philosophy to ensure the prosperity and growth of our membership and the communities in which we serve.

We challenge your  
auto loan to a duel.

Let us refinance your vehicle with a  
**non-variable rate as low as 3.99% APR.\***

Bring your loan to SunWest, and you'll either get our low rate or up to 2.00% APR off your existing rate – whichever is better. *Touché*, indeed!

#### Here's how it works:

1. You decide to refinance your vehicle loan with us.
2. On approval, your current 8.00% APR rate could be lowered to 6.00% APR.
3. But since you qualify for a lower list rate of 5.50% APR, you'll get the 5.50% APR rate (nice).
4. And your first payment may not be due for up to 45 days after signing (even nicer).

<b>Cactus</b> Friday, Sept. 10	<b>Arrowhead</b> Friday, Sept. 24	<b>Campbell</b> Friday, Oct. 1	<b>McDowell</b> Friday, Oct. 8	<b>Mesa</b> Friday, Oct. 15	<b>Pantano</b> Friday, Oct. 22	<b>Goodyear</b> Friday, Oct. 29
-----------------------------------	--------------------------------------	-----------------------------------	-----------------------------------	--------------------------------	-----------------------------------	------------------------------------

\*Only cars, trucks and SUVs are eligible for up to 2.00% APR off. Motorcycles, RVs, dirt bikes and watercraft are not eligible, but can be refinanced at our low list rates. On approved credit. Certain restrictions apply. See a representative for details.

## Change to electronic transfer notices

Due to increases in printing costs and the upcoming postage rate increase, SunWest will no longer mail electronic funds transfer (EFT) notices to members after December 31, 2010. This change includes notices for non-sufficient funds, overdraft fees and account and loan transfers. However, these will still be itemized on your account statements and are reflected via online banking and the Voice Access Line (VAL) immediately. For more information, visit [sunwestfcu.org](http://sunwestfcu.org) or call our Member Information Center.

## We're the fastest growing credit union in Arizona

Over the past 12 months, SunWest has grown faster than any other credit union in Arizona and we are still the second best capitalized in the state. Thank you to everyone who has referred their friends, family, co-workers and neighbors to SunWest.

Stop by your local branch or call our Member Information Center to get a referral card. You'll get \$10 for every person who brings one of your cards in when they open a membership.

### Campbell branch open during construction

The Campbell branch, at the northwest corner of Prince Road and North Campbell Avenue in Tucson is open during the renovations to the shopping center. It's just two miles north of the University of Arizona's main campus. Stop by and take advantage of our Refi Challenge.
